Product Features Advantages

- ※ All plastic body.
- ※ Automatic rice cooking and warming system.
- ※ High temperature protection.
- ※ Aluminum inner pot and non-stick coating.
- ※ Accessories: measuring cup and rice scoop.

The gem xishi series

Concave shape heating plate, and sphere thickening inner pot.

CFXB30-3A3 500W 1.5L

Product Features Advantages

- ※ Concave shape heating plate; and sphere thickening inner pot.
- ※ Luxurious completely automatic temperature controlling and keeping, conveniently cleaning. Energy saving and environmental protection.
- ※ Using the high-level aluminum alloy inner pot, very firm and durable. High intensity non-sticking coating, won't be taken off forever.
- ※ The concave shape heating plate makes the heating more quickly and uniformly. Sphere inner pot. Thickness is 2.0MM.
- ※ Imitating firewood cubic temperature keeping with sealed tiny pressure structure to avoid overflowing.

Plastic Body
Rice Cooker

The exquisite xishi series

Sphere inner pot. Chickness is 2.0MM.

CFXB20-3A2 400W 1.0L

Product Features Advantages

- ※ Concave shape heating plate, and sphere thickening inner pot.
- ※ Luxurious completely automatic temperature controlling and keeping, conveniently cleaning. Energy saving and environmental protection.
- ※ Using the high-level aluminum alloy inner pot, very firm and durable. High intensity non-sticking coating, won't be taken off forever.
- ※ The concave shape heating plate makes the heating more quickly and uniformly. Sphere inner pot, thickness is 2.0MM.
- ※ Imitating firewood cubic temperature keeping with sealed tiny pressure structure to avoid overflowing.

Mini
Rice Cooker

The mini rice cooker series

Automatic rice cooking and warming system.

CFXB10-M1 200W 0.6L

Product Features Advantages

- ※ All plastic body.
- ※ Automatic rice cooking and warming system.
- ※ High temperature protection.
- ※ Aluminum inner pot and non-stick coating.
- ※ Accessories: measuring cup and rice scoop.

Exquisite
Rice Cooker

CFXB40-3E 700W 1.8L

Product Features Advantages

- ※ The perfectly equipped steamer leads the cooking trend
- ※ luxurious completely automatic temperature controlling and keeping, conveniently cleaning
- ※ using the high-level aluminum alloy inner pot
- ※ non-sticking coating
- ※ High-level non-melt heating plate makes the heating more quickly and uniformly

USB Smoothie Maker

4 USB BLENDER PRODUCT ADVANTAGES

Unique Detachable Blender For Shakes and Smoothies

Be safer and prevent finger injury. Easily take off the bottle and drink from it directly or take it on the go. No need to dirty an additional glass. Suitable for car holder very well. Handy, lightweight and portability issue.

Rechargeable Portable Blender With USB

Built-in lithium battery, convenient to use anywhere. Mini but powerful enough to blend ice, frozen fruits, vegetables, seeds, peas or stems in 1000rpm. Just one press and you will get a best ally smoothie in only 20 seconds.

KMT-955

KMT-956

KMT-956A

KMT-956A

Safer and Versatile Small Blender

We go extra miles to use only Baby Food Grade Material, BPA Free, FDA, CE & RoHS Approved. Perfect for baby food, fruit juice, shakes and smoothies, protein shake, bulletproof coffee, pesto sauce, marinades and salad dressings etc.

Personal Blender No Waste and Easy To Clean

As opposed to a huge blender: quiet, less mess, lower cost, less waste, easier to clean, space saving, dishwasher safe.

USB BLENDER

KMT-957D

Mini Blender

- 300ml Tritan sports jar or 350ml glass jar for optional
- 20-sec programmed juicing with auto-stop
- DC7.4V motor with 4000mAh Li-ion battery
- Durable stainless steel cross-blades
- USB recharging for 3 house and 25 cups juice enjoyed
- Extra light weight at 450g

PRODUCT FEATURES

Model	KMT-831	KMT-832
Voltage	DC 7.4V	
Power Supply	Lithium battery USD 5V	
Capacity	380ML	
Motor Power	175W	
Product Size	80*80*235MM

Kettle

XC-1906

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 0.6L capacity.
- High quality control inside.
- 220V 800W heating power.

XC-1908

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 0.8L capacity.
- High quality control inside.
- 220V 1000W heating power.

XC-8009

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 0.8L/1.0L capacity.
- High quality control inside.
- 220V 1360W heating power.

Kettle

XC-1812

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 1.2L capacity.
- High quality control inside.
- 220V 1360W heating power.

XC-8016

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 1.7L capacity.
- High quality control inside.
- 220V 1500W heating power.

XC-8010

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.
- 1.8L capacity.
- High quality control inside.
- 220V 1800W heating power.

Kettle

XC-8117

- 304 stainless steel interior.
- Cordless design allows for easy filling, traveling and serving.

XC-1910

- 304 stainless steel interior.
- .Cordless design allows for easy filling, traveling and serving.
- .1.0L capacity.
- .High quality control inside.
- .100/110/220V900W/1000W heating power.

Induction Cooker

Product name : Double induction cooker
Product model:QH-19-ST01
Rated voltage:220V~/50HZ
Rated power: 1700W+1700W
Product size:680x380x85mm
Hole size:655x355mm (minimum hole size)

Feature

1. Multi-function double induction cooker
2. Touch control, LED display
3. Each cooker can work independently
4. Adjustable power
5. Extra strong crystal plate glass, easy to clean
6. Embedded design, easy to install. It can also be used as a desktop.
7. Perfect for frying, boiling, stewing, etc.

Quantity: 2 sets
Net weight: 15KG
Gross weight: 17 KG
Carton measuremen:725x425x115mm
Carton size:745x445x250mm
40"HQ :1680 pcs (decrease in accessories)

Water Purifier

Residential Product

Pre-Filtration Series

Kitchen Series

High Output RO Series

Water Purifier

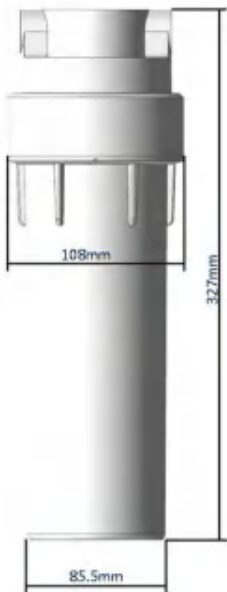

Pre-Filtration Series - 10'' PP (WS-PF1-10'')

dimension	Φ108*327mm
filtration media	polypropylene (PP)
life time	3 months
filtration accuracy	5-10 micron
function	remove sand, rust, dirt, particles
accessories	1pc wrench

Water Purifier

Pre-Filtration Series - 10" UF (WS-PF1-10")

dimension	Φ108*327mm
filtration media	polypropylene (PP)
life time	8 months
filtration accuracy	0.1-0.01 micron
function	remove colloid, sand, rust,bacteria
accessories	1pc wrench

Water Purifier

Pre-Filtration Series - 15" PP (WS-PF1-15")

dimension	Φ108*458mm
filtration media	polypropylene (PP)
life time	3 months
filtration accuracy	5 - 10 micron
function	remove sand, rust,dirt,particles
accessories	1pc wrench

Water Purifier

Kitchen Series - 2 stage filter (WS-PF2-10”)

dimension	220*330mm
2 stage	UF+CTO
life time	UF - 8 months; CTO - 3 months;
filtration accuracy	5-10 micron
function	remove sand, rust, dirt, bacteria, colloid, chlorine, odor, color; improve taste;
accessories	1pc wrench

Water Purifier

Kitchen Series - 3 stage filter (WS-PF3-10’')

dimension	330*330mm
3 stage	PC+CTO+UF
life time	PC - 3 month; CTO - 6 months; UF - 8 months;
filtration accuracy	0.1-0.01 micron
function	remove sand, rust,dirt,bacteria, colloid, chlorine, odor, color; improve taste;
accessories	1pc wrench

* PC is a composite filter of PP and carbon block.

Water Purifier

Kitchen Series - 3 stage filter (WS-PF3-10"-US)

dimension	330*330mm
3 stage	PP+GAC+CTO
life time	PP - 3 month; GAC- 3 months; CTO - 4 months;
filtration accuracy	5-10 micron
function	remove sand, rust,dirt,chlorine, odor,color; improve taste;
accessories	1pc wrench

Water Purifier

Kitchen Series - 5 stage RO system (WS-RO021-P(EKD))

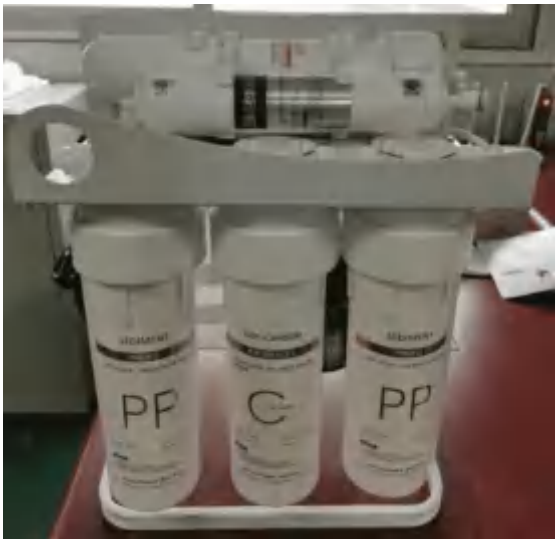

dimension	360*190*485mm
3 stage	PP + GAC + PP + RO + POST-CARBON
life time	PP - 3 month; GAC - 3 months; RO - 18 months; POST-CARBON - 4 months;
RO	75 GDP
FLUSH	AUTO
WATER TANK	12L

Water Purifier

Kitchen Series - 5 stage RO system (WS-RO022-M)

dimension	370*240*455mm
3 stage	PP + GAC + PP + RO + POST-CARBON
life time	PP - 3 month; GAC - 3 months; RO - 18 months; POST-CARBON - 4 months;
RO	75GDP
FLUSH	AUTO (with pressure meter)
WATER TANK	12L

Water Purifier

Kitchen Series - 5 stage RO system (WS-RO024-10")

Get rid of pressure tank

Space Saving

More Water in storage

Easy maintenance

- * Without water tank - no secondary contamination,
- * No risk of tank brokenness, space saving and easy maintenance.

Water Purifier

Kitchen Series - 5 stage RO system (WS-RO024-10’')

dimension	400*120*450mm
3 stage	PC+RO+GAC
life time	PC - 3 month; RO - 18 months; GAC - 3 months;
RO	400GDP
FLUSH	AUTO
WATER TANK	without

* PC is a composite filter of PP and carbon block.

Water Purifier

Commercial Product
- for coffee shop, canteen, small office

UF Series

High Output RO Series

Water Purifier

UF Series - 2 stage filter (WS-PF2-15")

dimension	220*465mm
2 stage	UF+CTO
life time	UF - 8 months; CTO - 3 months;
filtration accuracy	0.1-0.01 micron
function	remove sand, rust, dirt, bacteria, colloid, chlorine, odor, color; improve taste;
accessories	1pc wrench

Water Purifier

UF Series - 2 stage filter (WS-PF2-15”)

dimension	220*465mm
2 stage	PC+UF
life time	PC - 3 months; UF - 8 months;
filtration accuracy	0.1-0.01 micron
function	remove sand, rust, dirt,bacteria, colloid, chlorine, odor, color; improve taste;
Accessories	Wrench

Water Purifier

High Output RO Series - Tankless (WS-RO024-15")

- Without water tank - no secondary contamination.
- No risk of tank brokenness, space saving and easy maintenance.
- PC is a composite filter of PP and carbon block.

dimension	400*120*580mm
3 stage	PC+RO+GAC
life time	PC - 3 month; RO - 18 months; GAC - 3 months;
RO	800GDP
WATER OUTPUT	2.1L/min
WATER TANK	without

Air Purifier

Air Purifier AP1209

- 360° Air inlet
 - BLDC Motor
 - Electronic touch control
 - 3 fan speeds setting
